PAYMENTS

Current trade experience of payments has not been traced.

Reportedly subject is the country's largest supplier of fuel.

The company has declined to provide financial information or to reveal any details relative to the extent of their operations.

Opinion on maximum credit : Although nothing detrimental has been heard we have insufficient basis on which to speak for unsecured credit and recommend dealing on cash or prepaid basis.

Trade risk assessment : No classification (see above comments)

Opinion on the credit figure of US DLRS 200,000 – 90 days :

See above comments.

It is normal accepted practice for international suppliers to deal on secured terms with Gambian importers.
